

## **International Consortium of Modellers (CoMo): Strategic Modelling for Public Health Policy Training Programme**

### **Pricing Policy**

1. Course fees are based on whether the course participant works in the private or public/tertiary sector:

- £3,200 private sector
- £2,500 public/tertiary sector

2. We offer a discounted rate of £500 for approximately 15 places on each course for those based in LMIC institutions and paid at national rates.

3. There are 15 fee waivers available on each course, funded by the Consortium.

Those making applications for a scholarship are likely expected to be:

- Based in lower-income countries
- Working in the public sector

4. Enrolments on the course are capped at 60 participants per run. Once the maximum number of enrolments has been reached a waiting list will be created.

5. Your place on the course will be secured when payment has been received. However, if for any reason you need to cancel your place on the course then details of our cancellation policy may be found here under our Terms and Conditions [Help & Information | University of Oxford \(oxforduniversitystores.co.uk\)](https://www.oxforduniversitystores.co.uk/help-and-information)

In the event that we need to cancel the course then your full fee will be refunded.
